## RESTAURANT DOTHO BLACK-OWNED BUSINESSES INTENT TO PARTICIPATE

The Angel Relief Fund's Dine Out to Help Out (DOTHO) Black-Owned Businesses campaign is raising funds to help Black-owned restaurants thrive and be able keep employees through the COVID-19 crisis. Planterra Foods has partnered with the Colorado Restaurant Foundation in this effort to help these valued restaurants survive through the **OZO Good Relief Worker Fund**. Planterra Foods has contributed \$20,000 to divide among 20 restaurants to incentivize repeat dining through gift cards. CRF DOTHO funds will be dispersed by check in one lump sum to each participating restaurant. (Each restaurant will receive \$1,000 to pay for the \$25 "thank you" gift cards to give to customers to entice them to be repeat guests). **Submit completed forms to [dineout@corestaurant.org](mailto:dineout@corestaurant.org).**
